

Introduction and Consent:

- Your participation is voluntary, and your responses will be kept private and secure.
- By completing this survey, you are giving your consent to voluntarily participate and acknowledge that you understand you can choose to stop at any time and can refuse to answer any questions.

This survey is being conducted with hundreds of adults across the Finger Lakes region. The purpose is to hear about your views on family, peers, and community behaviors surrounding marijuana (cannabis), alcohol and other substance use/misuse. Your participation in the survey is very important for planning prevention services and programs in the Finger Lakes region to support your community in building a healthy and successful future. The survey will ask questions about your cannabis, alcohol and other drug use and your perceptions of alcohol, cannabis, and other drug use in your community. If these questions lead to feelings of distress, anger, or anxiety and you would like to talk to someone about these, please contact the Veterans Crisis Line by calling 988 then pressing 1, or texting 838255.

***I have been informed that this survey is completely voluntary, and I agree to participate.**
